

Center Road Eye Institute

Dr. Timothy G. McNally, D.O., F.A.O.C.O., M.T.A.S.C.P.

3364 South Center Rd. • Burton, MI 48519 • (810) 743-3937 • Fax: (810) 743-9210

My name is Dr. Timothy G. McNally, D.O. I am an Ophthalmologist and owner of Center Road Eye Institute in Burton, MI. I wanted to reach out to my fellow physicians as a reminder to those of you that already are acquainted with me and introduce myself to those of you that I have not had the pleasure of meeting yet.

I have been an Ophthalmologist with Center Road Eye Institute for over 25 years. Center Road Eye Institute has the latest technology combined with friendly and compassionate service. We strive to treat the patient as family with honesty, integrity and excellence. We offer comprehensive medical eye care for all ages for many ocular conditions including Emergencies, Diabetes, Advanced Glaucoma, Pediatrics and Cataracts.

Some Cataract patients may be eligible for an advanced technology lens to reduce their need for glasses. I will review all options with your patient and let them know the benefits of each one and the big cost savings I can provide them for the advanced technology lenses.

I am also able to help Glaucoma patients that are a candidate for ⁱstent Glaucoma procedure. It may reduce the reliance on glaucoma medications and can be performed with Cataract surgery.

I perform surgeries at The Surgery Center at Health Park, Hurley Medical Center and McLaren Surgery and Endoscopy Center. With a referral from your office your patient will be directed to have the procedure done at your affiliated hospital facility.

Center Road Eye Institute is a one stop facility complete with an Ophthalmologist, Optometrist and Optical department where you will find the latest options in frames and contact lenses.

When you are considering referring your patients to an Ophthalmologist, please consider referring to my office. Your patient will experience quality eye care and be treated like family putting the patient care first over profits.

If you have any questions or would like to refer a patient, please call my office at (810) 743-3937. If you would like to speak with me directly, please call 810-877-0741.

Sincerely,

Timothy G. McNally, D.O., F.A.O.C.O., M.T.A.S.C.P.
